Dear Madam / Sir :

We have recently seen a reference to the under noted publication(s), and we would like to obtain a copy for Library and Archives Canada. Canadian publications received at Library and Archives Canada are preserved in the permanent collection where they are made available for consultation and research. These publications are listed in Canadiana, the national bibliography and are entered in AMICUS, the Library and Archives Canada's database.

The fortress newspaper.

We would appreciate receiving as a gift, one copy of vol. 1, no.1 only, or the earliest available issue. It will not be necessary to continue sending subsequent issues of the publication. For your convenience, we are enclosing a mailing label and a form to be completed and returned with the publication(s). An official receipt will be issued after receipt of the first issue.

Thank you for your co-operation.
